FATHIMA ZAHERA SHAIK

Profile

I am a final-year BCA student with a passion for full-stack development, skilled in HTML, CSS, JavaScript, and basic Java. With experience in frontend development gained through internships and various projects, I am currently focused on expanding my full-stack capabilities. I am eager to leverage my skills in innovative projects and contribute to impactful solutions in the tech industry.

Experience

INTERN | CODSOFT | SEPTEMBER 2024 – OCTOBER 2024

- Engaged in assigned tasks and projects, adhering to guidelines and instructions to ensure high-quality work.
- Gained hands-on experience in responsive web design, utilizing CSS frameworks and best practices for cross-browser compatibility.

Projects

1. Landing Page Technologies: HTML5, CSS3, JavaScript

- Designed and developed a responsive landing page, incorporating creative layouts and effective use of color palettes.
- Focused on user experience through careful alignment and spacing of elements.

2. Personal Portfolio Technologies: HTML5, CSS3, JavaScript

- Created a personal portfolio showcasing skills, projects, and experience.
- Included sections for an about me, skills, projects, and contact information, enhancing personal branding.

3. Basic Calculator Technologies: HTML5, CSS3, JavaScript

- Developed an interactive calculator with a user-friendly interface.
- Implemented basic arithmetic operations using event listeners and JavaScript functions.
